

May 2021

Dear families,

At Home Testing for Students

As mentioned in our previous communication with families, we have received confirmation that home testing of students and staff is to continue until further clarification from Government

Testing for parents, households and bubbles twice a week

A reminder that regular rapid testing is now also available for parents, their households and support or childcare bubbles. The government is encouraging all families to participate in twice weekly testing to help stop the spread.

Parents and other adults in the household can access tests by:

Ordering tests online www.gov.uk/order-school-household-tests

Getting an assisted test at work, if it is available

Attending a test site to get tested (where you will be able to see how to take the test) or pick up tests to do at home.

Please note the Academy is not able to provide tests for families.

We continue to encourage everyone to take part in regular Covid-19 testing.

Kind regards

Mr Irish
Principal
