Family / Carer Acceptable Use Policy

Introduction

New technologies have become integral to the lives of children and young people in

- As the parent / carer, I give permission for my son / daughter to have access to the internet, the Learning Gateway and to ICT systems at school.
- I know that my son / daughter will be required to sign an Acceptable Use Agreement and has received, or will receive, e-safety education to help them understand the importance of safe use of ICT – both in and out of school. I understand that the school will take every reasonable precaution, including monitoring and filtering systems, to ensure that young people will be safe when they use the internet and ICT systems. I also understand that the school cannot ultimately be held responsible for the nature and content of materials accessed on the internet and using mobile technologies.
- I understand that my son's / daughter's activity on the ICT systems will be monitored and that the Academy will contact me if they have concerns about any possible breaches of the Acceptable Use Policy.
